

NOTICE OF CONSTRUCTION

The Nantucket Memorial Airport plans to begin construction of a new water main on November 4, 2021. The public may see mobilization activities by the contractor, Robert B. Our Co., Inc., beginning on November 1, 2021. The project includes the installation of approximately 2 miles of water main extending from two existing water mains owned and operated by the Nantucket Water Department. Construction will begin on Madequecham Valley Road from 10PM to 6AM where the road will be closed during the nighttime construction activities. Construction will continue across Airport property and along the Airport Service Road (10PM to 6AM). Construction along Monohansett Road and Skyline Drive will be done during the day (7:30AM to 4:30PM) and these roads will remain open to traffic but with one-way alternating traffic directed by a flagger. Please visit <https://www.ack-pfas.com/waterline-extension> for weekly construction updates and the construction phasing plan.
